

The image shows a handwriting practice sheet with four columns. Each column features a zigzag line. At the top of each column is a cartoon character: a green frog, a yellow lion, a yellow swan, and a rabbit in a suit. At the bottom of each column is the same character. A dashed arrow points downwards from the frog character at the top left. The YMY logo is printed twice on the zigzag lines, once in the first column and once in the third column.
